NAMOH OVERVIEW

PRECISION & CRAFTSMANSHIP REDEFINED

Namoh Doors stand tall as the imperative door manufacturer and supplier with innovation-led development of products, systems and craftsmanship galore. Reimagining the idea of the entering point of the home, Namoh brings in the precision and design in the culmination of the home's prime point.

ABOUT US

CREATING MILLION STORIES

Welcome!

It all revolves around that term, opening the door to 'welcome'.

Established in 2011, we are driven by the force of thought- "strengthening home's curb impression". Creating a door that witnesses innumerable welcoming moments while providing complete solutions and care for it; is what we stand for.

BRAND PURPOSE

**“WELCOME
MILLION STORIES”**

We are timber craftsmen, our purpose is to strengthen your home’s curb appeal, which allows you to witness life long experience.

BRAND VISION

**“TO BE AN ENTERING POINT
FOR MILLION HOMES.”**

We strive to become the most preferred door experts, by choosing environmentally-conscious resources and providing customized solutions.

BRAND VALUES

There are certain aspects which we hold dearly to deliver the best we do to our customers and stakeholders. These aspects are our values which keep us on track with diligent work and precise functionality. These values make us unique and different. Not only products and systems but we evenly dedicate our efforts towards customer service.

Values which help us in not just manufacturing but to design complete & 360-degree solutions revolving around the 'door'

We Take Complete Responsibility

Every operation we do involves our position of taking complete responsibility of product, service & client relationship which shapes the attribute of accountability.

We Understand You

With our kind attitude, we have an unbiased perspective towards every individual. We tend to understand the exact requirements of people working with us and those who choose us. Understanding your expectations, we offer our expertise and know-how without any selfishness or pull-back approach.

We Inspire You Through Innovation

There are several upgrades and advancements in our industry, which we try to adopt and smoothen our functionality, ultimately easing the door related concerns of builders and direct customers. The new ideologies and creative perspectives help us to unlock a 360-degree outlook.

We Carry A Diligent Approach

We are a curious team who seeks new principles. We ask, understand and learn what matters the most to our customers and ultimately make it happen. Dedication & keen attentiveness help us excel in our work.

WHO WE ARE

Manufacturers of quality doors and panels with continuous research in innovation and design. Precise manufacturing and most importantly our dedicated attention towards client service and consultation; leads us to arise as the most preferred door provider. Offering our service to more than 100+ eminent clientele across Pune & Maharashtra. By installing 60,000+ doors per year, we are just getting started to soar!

OUR USP'S

From manufacturing, and handling to after-sales and consultation, we are a 360-degree door solution provider which makes us stand out.

Product Solution:

Be it a single door or multiple units, our precise manufacturing applies to every door developed under an advanced facility with a research-based and innovation-driven team.

Custom-design Solution:

Every individual's taste differs and we understand that. We provide a customised door selection and specification process for every taste, need, requirement and fashion of the house and the owner.

Consultation Solution:

Even if you aren't looking for the door fixtures and just exploring the idea or have any general queries, we are happy to consult and assist in all forms.

“We are the curators and creators of precise & vibrant door solutions”

NAMOH PRODUCTS

CULMINATION OF OUR EXPERTISE

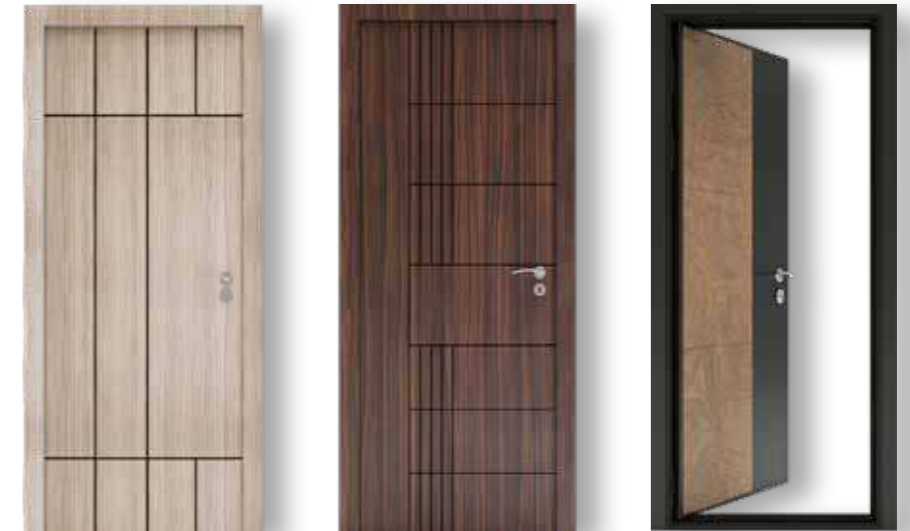

• AARAMBH • VIHAAN • BRAMHA • SAMAR • VIVIDHA

Our production is based on constant ideation and consistent innovation. We are vigilant on easy, smooth and precise production processes for efficient results. And the culmination is our vibrant scaled projects.

AARAMBH

LAMINATED
DOORS & FRAMES

AARAMBH LAMINATED DOORS & FRAMES

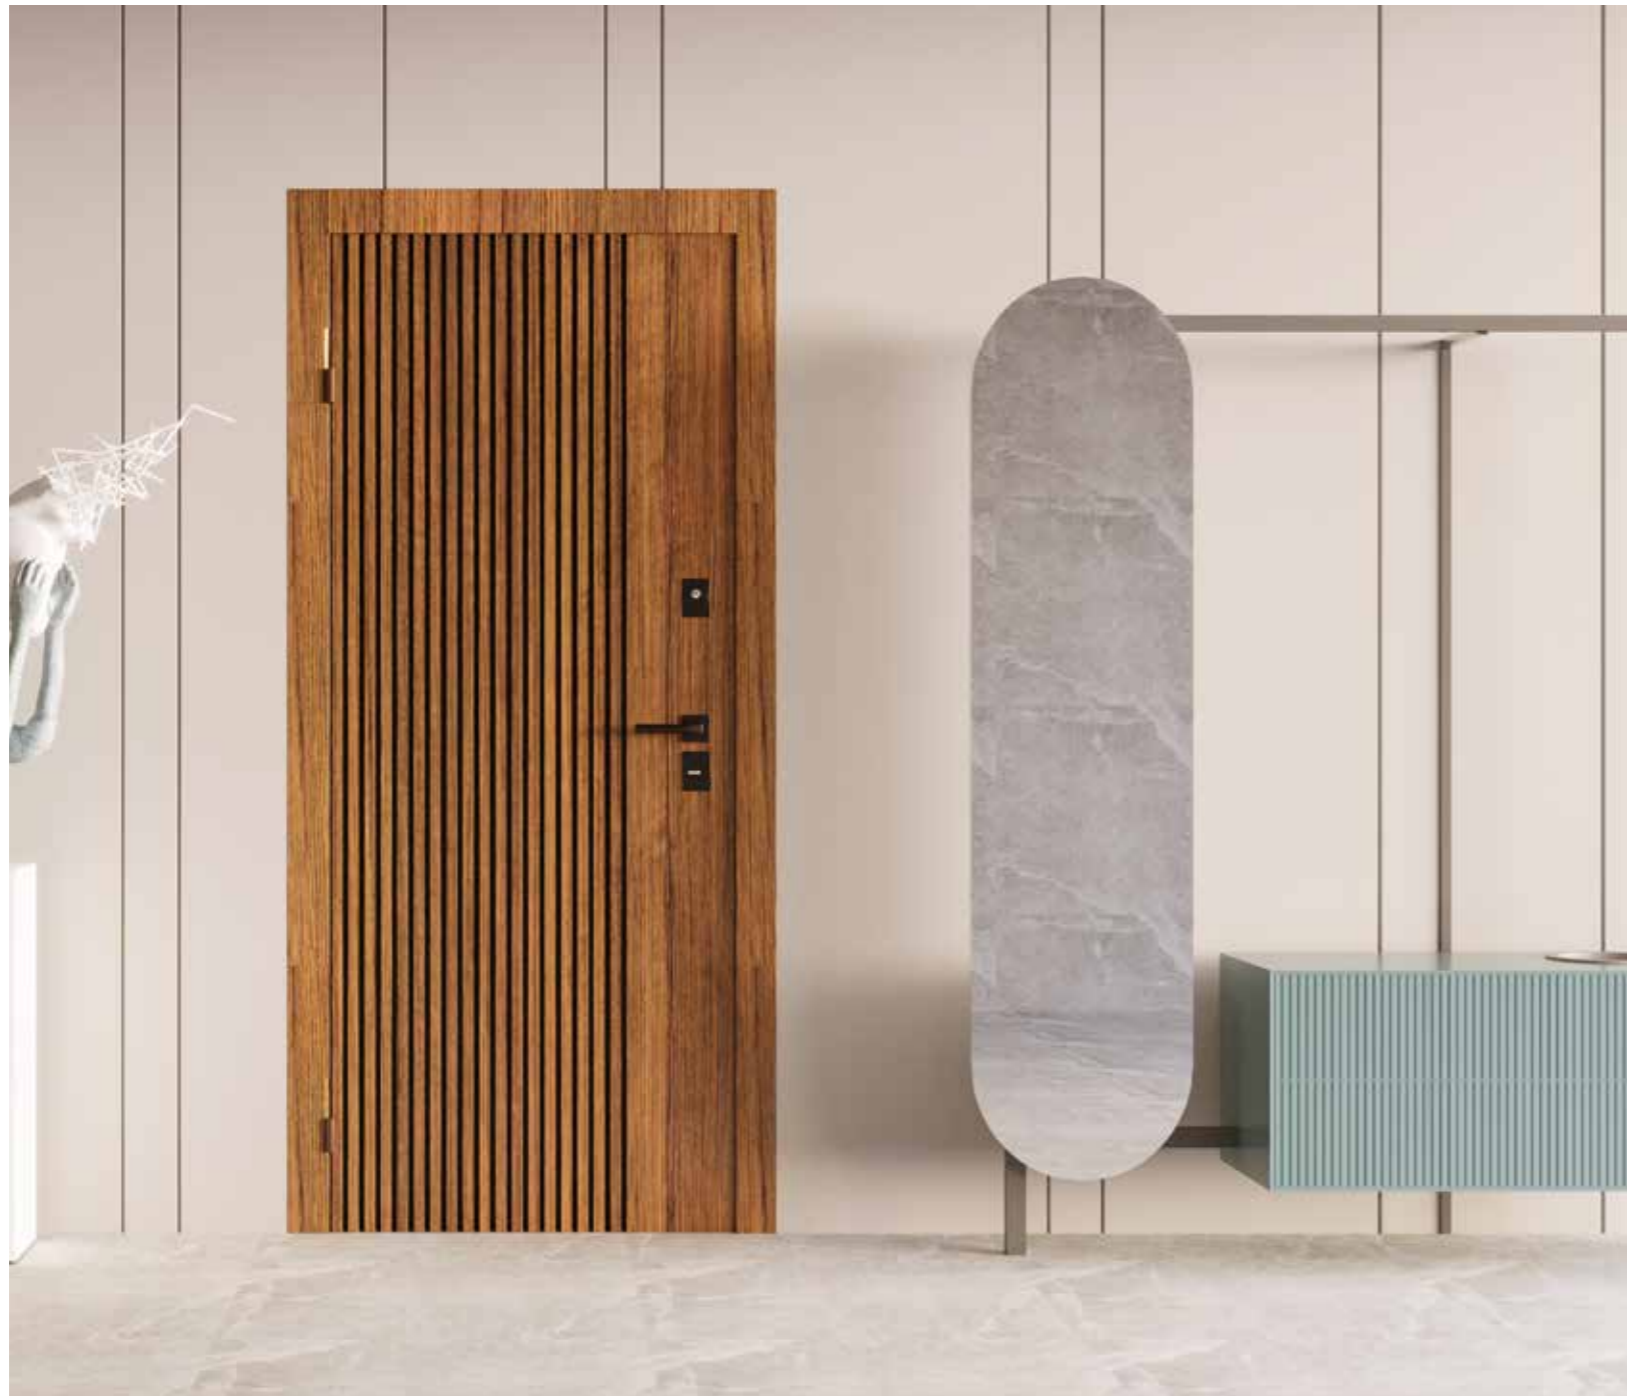

The word suggests 'the very first', primary or 'first to begin' attribute. The raw door is just a plank of timber, whereas the laminate is the very first thing the door experiences before installing in the space.

SPECIFICATION

- **Wood Species:** Pinewood, Hardwood, Eco-friendly Board, Honeycomb & LVL Board
- **Size & Thickness:** Thickness upto: 65mm Width upto: 1350mm Height upto: 3000mm
- **Resin:** D3 White adhesive, MUF resin, Waterproof Phenolic resin
- **Calibration Process:** Thickness uniformity, calibration under high pressure & high tolerance
- **Finishes:** Vast spectrum of colours, designs, textures & custom laminate options

VIHAAN

VENEER
DOORS & FRAMES

VIHAAN VENEER DOORS & FRAMES

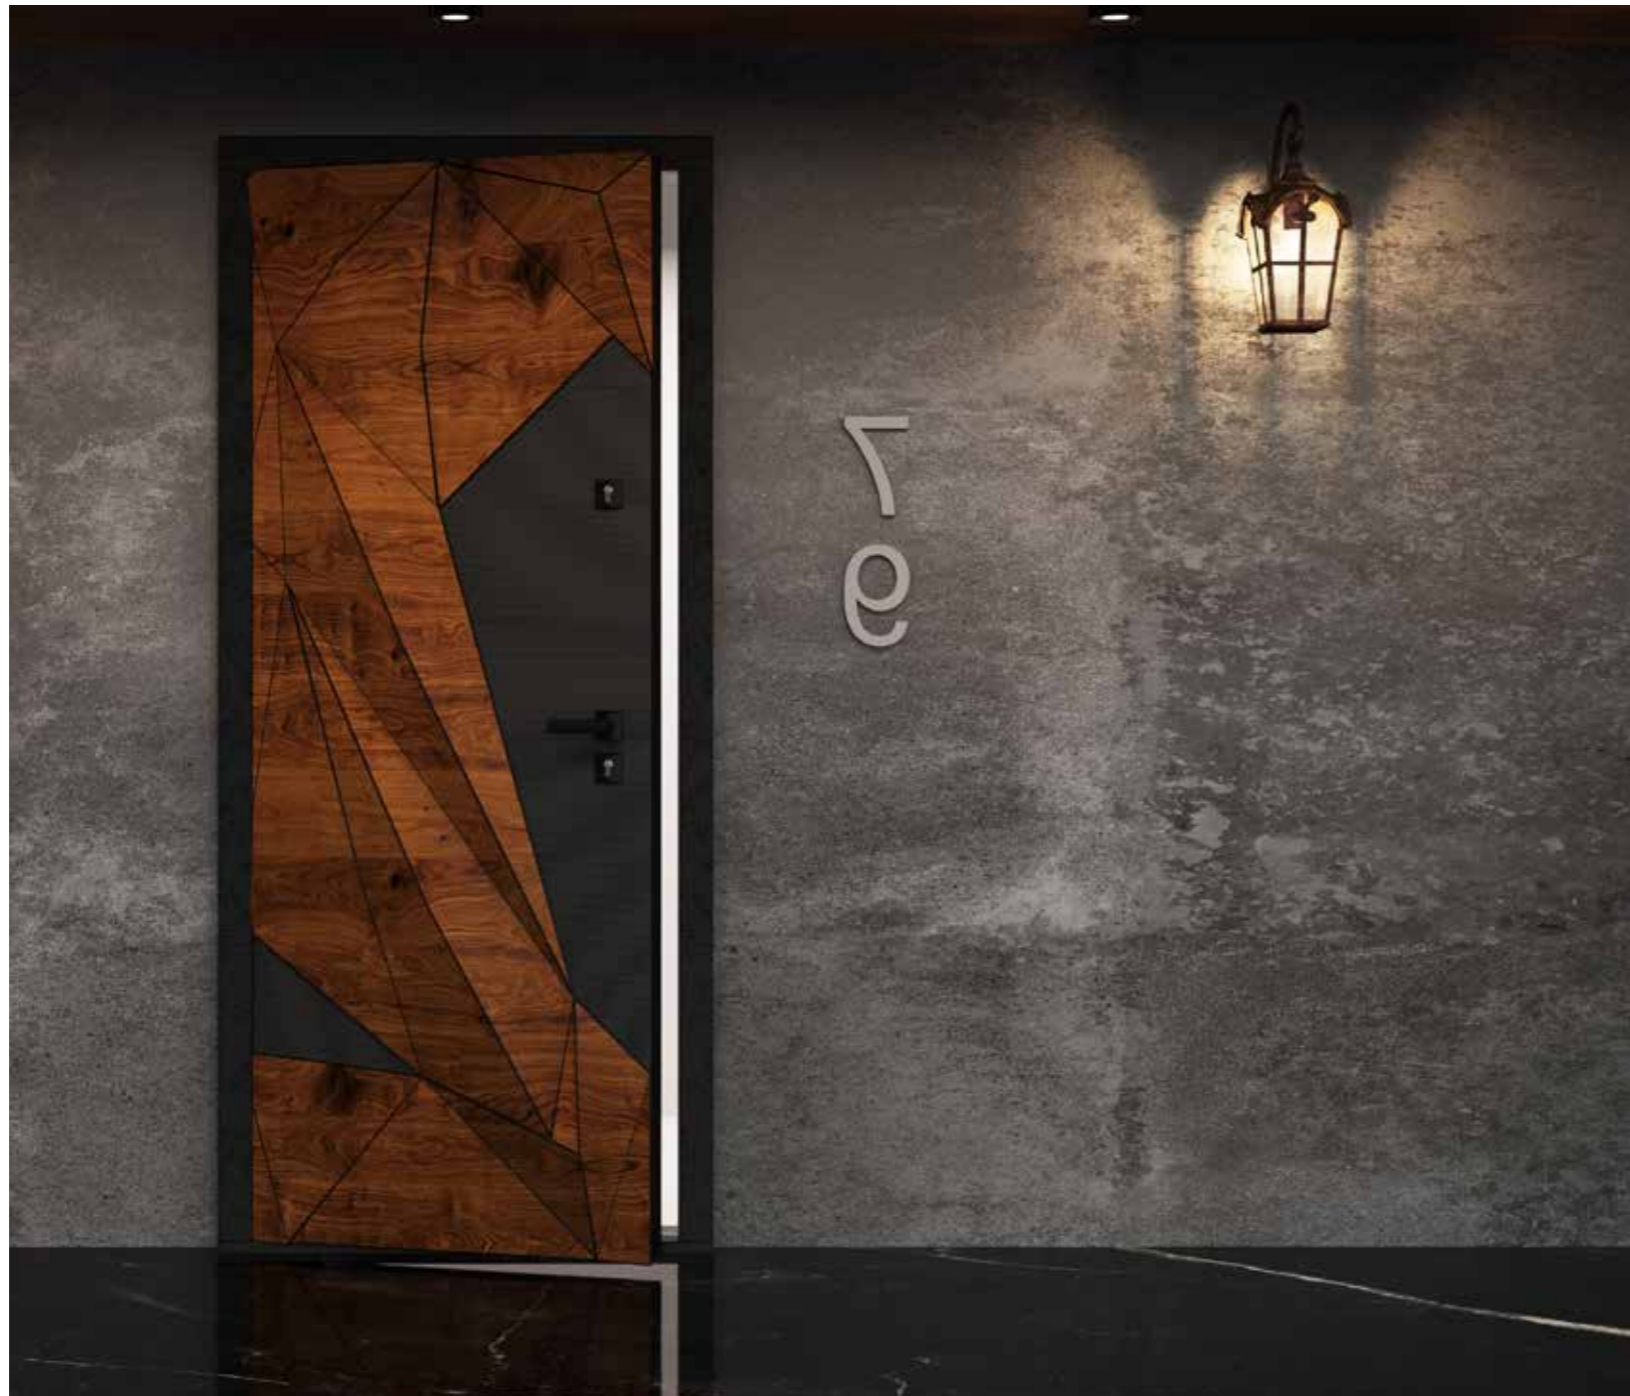

The name suggests the dawn, the ray of light which ignites the creative spark in door veneer styles, colours & designs.

SPECIFICATION

- **Wood Species:** Pinewood, Hardwood, Eco-friendly Board, Honeycomb & LVL Board.
- **Size & Thickness:** Thickness upto: 65mm Width upto: 1350mm Height upto: 3000mm
- **Resin:** D3 White adhesive, MUF resin, Waterproof Phenolic resin
- **Calibration Process:** Thickness uniformity, calibration under high pressure & high tolerance
- **Finishes:** Vast spectrum of colours, designs, textures & custom veneer options

BRAMHA

ARCHITECTURAL
DOORS & FRAMES

BRAMHA

ARCHITECTURAL DOORS & FRAMES

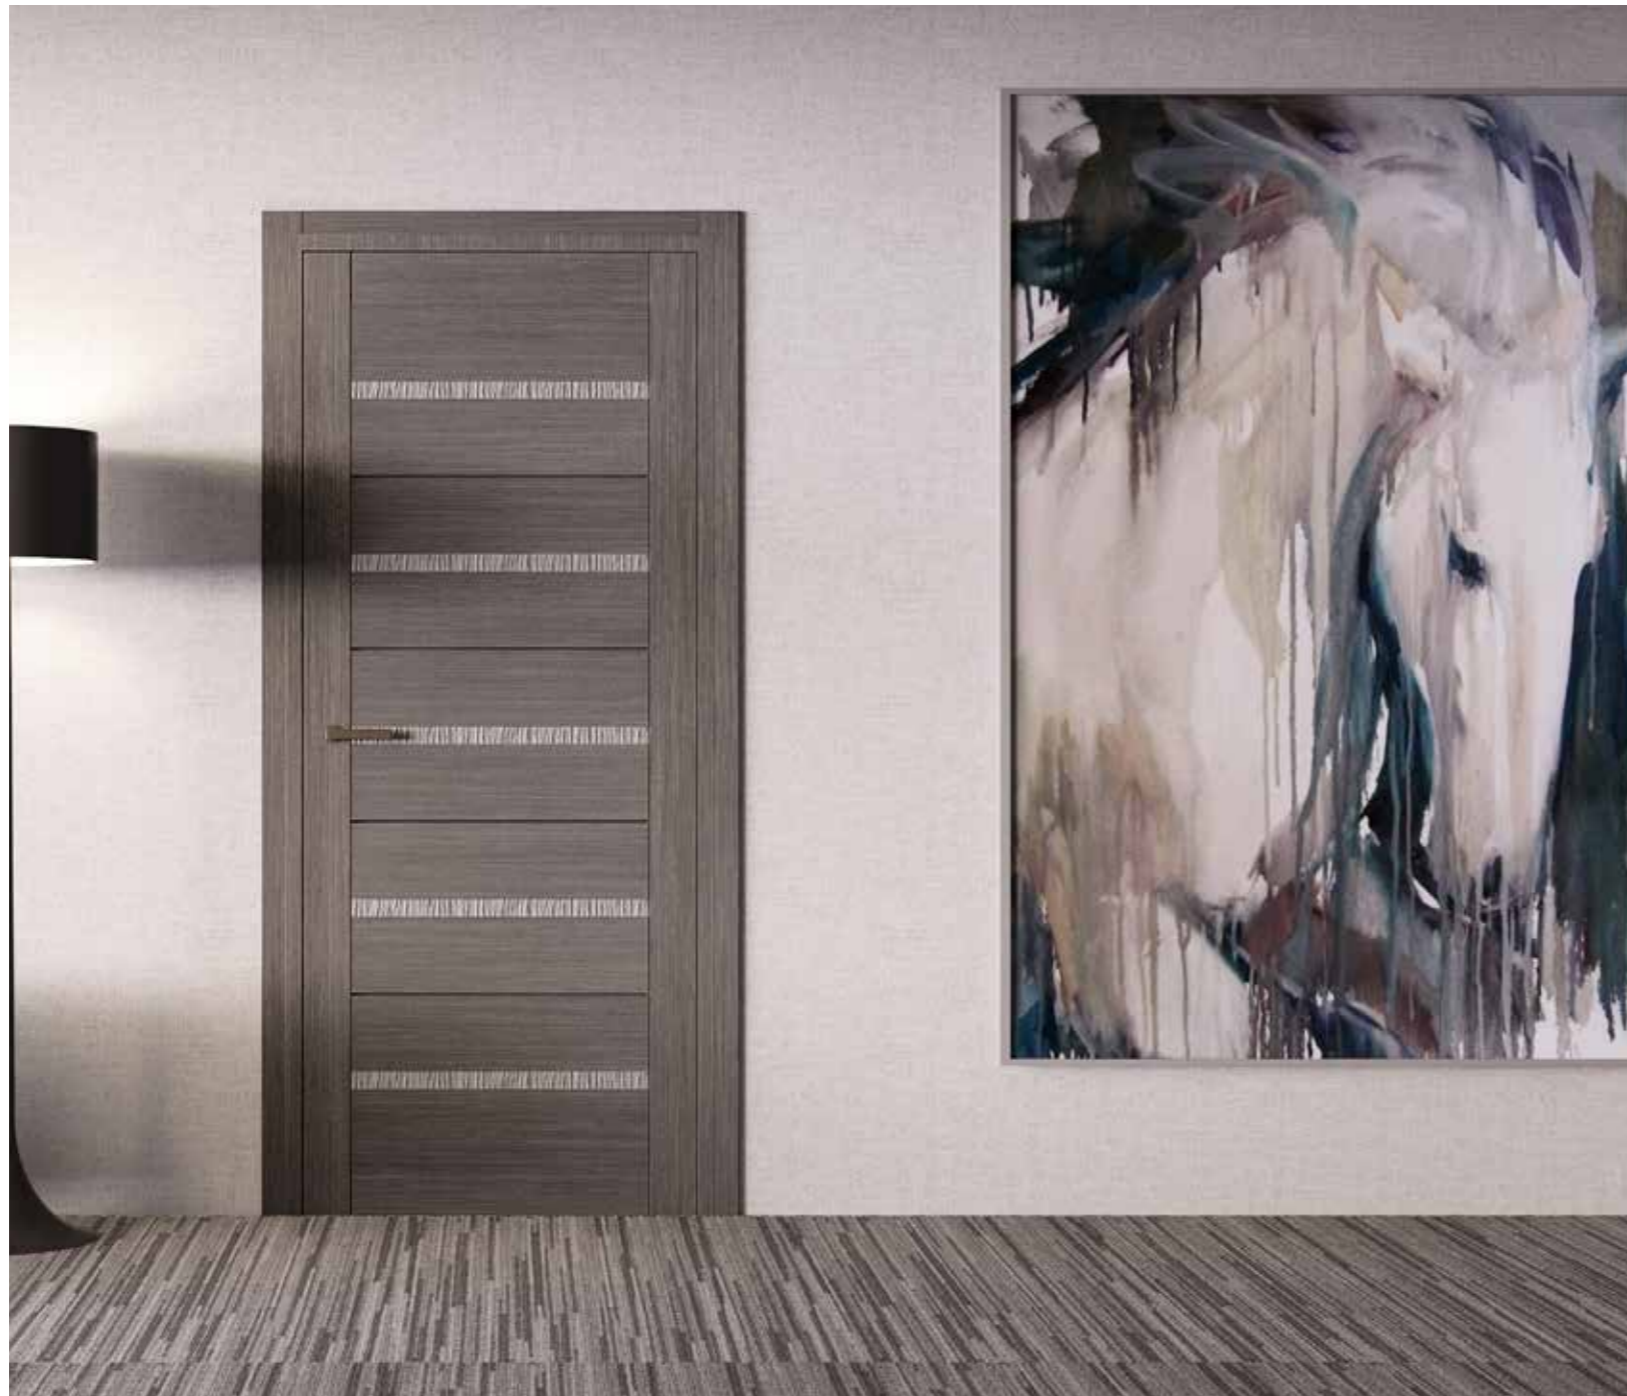

The name suggests the unparalleled aesthetic superiority and intricate detailing of a vast variety of custom architectural doors.

SPECIFICATION

As architectural doors can be created extensively with unique ideations & requirements; there is no limit to imagination. We can formulate the door as per your design and specific demand.

SAMAR

POST-FORM
DOORS & FRAMES

SAMAR POST-FORM DOORS & FRAMES

As post-form doors are completely formed after lamination, the Samar series precisely denotes the bond between plywood and lamination.

SPECIFICATION

- **Wood Species:** Pinewood, Hardwood, Eco-friendly Board, Honeycomb & LVL Board.
- **Size & Thickness:** Thickness upto: 65mm Width upto: 1350mm Height upto: 3000mm
- **Resin:** D3 White adhesive, MUF resin, Waterproof Phenolic resin
- **Calibration Process:** Thickness uniformity, calibration under high pressure & high tolerance
- **Uniqueness:** As the edges of post-form doors' are blunt, they are children-friendly. This door option is ready to fit and does not require any additional installation & fitment work at the site. This door is a unique formation of plywood and lamination process and enhances the decorative properties of edges

VIVIDHA

PAINTED
DOORS & FRAMES

VIVIDHA

PAINTED DOORS & FRAMES

Doors transcend barriers, narrating tales of style with material, pattern, and color choices. They symbolize individuality, welcoming residents and reflecting their unique tastes and personalities.

SPECIFICATION

- **Wood Species:** Pinewood, Hardwood, Eco-friendly Board, Honeycomb & LVL Board.
- **Size & Thickness:** Thickness upto: 65mm Width upto: 1350mm Height upto: 3000mm
- **Resin:** D3 White adhesive, MUF resin, Waterproof Phenolic resin
- **Calibration Process:** Thickness uniformity, calibration under high pressure & high tolerance
- **Uniqueness:** From intricate designs to vibrant colors, each door can be designed narrating a story of the residents within. the brightly painted entrance, doors hold the power to convey a sense of welcome and individuality.

NAMOH DOOR FRAMES

FRAMING THE ENTRANCE
